

SLEDGE

Curators of Live Experience & Film™

We build the strategy, create compelling content and deliver exceptional live experiences and film

We provide a beginning to end solution for live events and film creation, from strategy to content and venue location to faultless delivery.

We are experts in crafting events and developing film for Corporate, Consumer and Government sectors.

Located in London, we regularly deploy across Europe, North America, the Middle East and Asia.

Specialists in

Corporate

Inspiring and motivating employees and business audiences

Consumer

Introducing brands to new markets, promoting product launches, supporting sponsorship activations and public events

Government

Amplifying trade & industry, health & education and country promotion messaging

We Curate and Deliver

At Sledge, we believe making an incredible live experience and creating exceptional film content is a unique blend of strategy, creativity and personal attention to every little detail. That's why we handpick the right team for every project
